

Ensminger New Secretary Of Area Hospital Council

Leonard A. Ensminger, administrator of Torrance Memorial Hospital, has been elected secretary of the Hospital Council of Southern California, according to an announcement by John P. Preston, outgoing president.

The Council named Walter R. Hoefflin, Jr., administrator of Methodist Hospital of Southern California, Arcadia, as its new president; Samuel J. Tibbitts, administrator of California Hospital, Los Angeles, as president-elect to follow Hoefflin in 1961; and Henry X. Jackson, administrator of Valley Presbyterian Hospital, Van Nuys, as treasurer.

ENSMINGER and other elected officers will be installed at the 37th annual banquet of the Hospital Council on March 21st in the Biltmore Bowl, Los Angeles.

The Hospital Council, with 125 member institutions from the border to San Luis Obispo, is coordinating body for hospitals in this area and is affiliated with the American Hospital Association and the California Hospital Association.

ENSMINGER HAS served the past year as Coast Area representative of Western Hospitals.

representative on the Council board. He succeeds Robert J. Thomas, administrator of the Los Angeles County General Hospital, as Council secretary.

As administrator of Torrance Memorial Hospital since 1956, Ensminger supervised the hospital's expansion and has instituted many policies resulting in greater efficiency.

Ensminger, of 4302 Lenore St., is active in community organizations including Rotary, YMCA and Red Cross. He is a member of the American College of Hospital Administrators and is a member of the Association of Hospital Administrators.

Formation of New Torrance Agricultural District Told

A new Agricultural Inspection District to be known as the Torrance District has been created, effective Feb. 1, in a major realignment of districts of the Los Angeles County Agricultural Commissioner.

John H. Caldwell has been appointed senior agricultural inspector in charge of the new district, according to Harold J. Ryan, County Agricultural Commissioner.

The new district is one of six created under the new arrangement. The entire county

area is now included within the 17 inspection districts. Agricultural work in undistricted areas was formerly carried on by department personnel covering broader jurisdictions.

The new arrangement is designated to provide for closer supervision and better enforcement of agricultural regulations.

District heads will now be responsible for all inspection work in their own areas except bee disease abatement and field rodent and noxious weed abatement, Ryan said. Their duties will include enforcement of plant pest quarantine, produce standardization and the California seed law, nursery inspection and pest detection, and insect and disease abatement.

ery inspection and pest detection, and insect and disease abatement.
